We celebrated our 15th Anniversary on 2nd Oct and invited Bishop Kee to preach the message and conduct communion. All our members are given a free commemorate T shirt to wear on that day. We also starts the practice of lighting candles at our service. Rev Ng continue to help JCC dialect service and our Chinese service to conduct communion and do baptism as well.

2. Education Ministry

We conduct a Hokkien Disciple training through the DVD by Rev Oh Meng Kee. We also co-ordinate with C3A to organize health talks on Sunday afternoon for our members where they fund us \$7 per head. This will help us to provide the honorarium for the speakers as well as free lunch for the participants.

3. Outreach Ministry

We are involve in CNY concert, organize by NCCS Chinese works, where Rev Ng chair the follow-up committee. We help to sell tickets and also provide bus for members to bring their non-believers to attend the concert. Rev Ng continue to share devotion at our St Luke Eldercare Chong Pang centre every week and upon requested he also went to the Nee Soo East centre at Block 260 to do the ministry. St Luke Hospital continue to invite Rev Ng to share devotion for their patients during lunch hours. But this year due to the cut in budget we are not able to do Hi Tea outreach for our dialect service.

4. Serve Ministry

Thanks Bishop Kee for arranging our worship team, together with JCC Dialect to sing at National Day Thanksgiving Service. This is an annual event organize by NCCS where our Christian president, minister and MPs are the VIPs. We presented songs in mandarin and Hokkien. We also thanks God for more members willing to serve with us at our dialect service.

5. Care Ministry

This year we encourage our members to drink more water by giving them a free mug. We also printed the Luther's morning prayer outside the mug for them to pray. We had our Dialect Retreat from 1-3Jun at JB Granda Hotel. We also want to thanks the Turning Point for sharing with us a lot of free food items they received so that we can distributed to our members.
